Our church-wide emphasis *Enough: Discovering Through Simplicity and Generosity* is in full swing!

Last Sunday, our topic was "God's Millionaires." We saw how the building blocks of our happiness are formed by us, not by others. And if we are unhappy the first place we need to look is at ourselves. If you were unable to be with us, you can find the sermon message on our website, at oldnorthumc.org.

This Sunday, our topic will be "Sometimes We Must Walk Through..." We will look closely at how our Christian faith does not exclude us from life's troubles. In fact when we are faced with life's troubles we cannot go over them, under them or around them, but are called to go through them, trusting that God walks with us.

Many of you have read, or are reading, your copy of *Enough* by Adam Hamilton. Please join in one of the discussion groups being held in the church today following worship, and this evening at 6:00 pm. For those who prefer a weekday opportunity there will be a gathering Wednesday evening at 6:30 pm.

Please join us as we explore the possibility of leading simpler more contented lives.

THOUGHT FOR THE WEEK

"Do good, be rich in good deeds, liberal and generous, thus laying up for yourselves a good foundation for the future, so that you may take hold of the life which is life indeed." 1 Timothy 6:18,19
